

SIBLING DISCOUNT POLICY

Sibling Discounts

- Sibling discounts are available to parents who are signatories to the School's parent contract in respect of more than one child attending the School at the same time
- A discount of 5% will be applied to the eldest sibling's fees when a sibling joins the school (each pupil effectively receiving a 2.5% discount). A third sibling will result in a 2.5% discount being added to the second sibling's fees, and so on. In this way, a sibling discount ceases when there is only one pupil left in the school.
- For the purposes of this policy, two or more pupils are siblings if they have at least one natural or legally adoptive parent in common, and if the parent(s) in common is/are signatories to the School's parent contract in respect of the pupils concerned.
- Sibling discounts only apply when no siblings is in receipt of any other fee discount
